I have lived in Horndean for the last sixteen years. I am married with two teenage sons. We love living in Horndean and in particular, love the open spaces of which we make quite a lot of use since we have a very lively English Springer Spaniel that loves his walks. My hobbies are baking and gardening. Prior to my retirement, I was a Real Estate Lawyer and partner in a South Coast firm. I feel that I have a lot to offer the Parish and that I would be able to assist the Council to deliver on issues that matter to the residents of Horndean. My particular interests on the Council are the Open Spaces and the Planning and Highways Committees.
