There were no Appeals.

P074 21/22

**TO NOTE THE RECOMMENDATION OF FULL COUNCIL ON 20<sup>TH</sup> September 2021 58128/002 – 114 WHITE DIRT LANE.**

This was duly noted.

P 075 21/22

**TO CONSIDER PLANNING APPLICATIONS AND NOTE DECISION LIST**

28797/011

**62 Downhouse Road, Catherington, Waterloooville, PO8 0TY**

Lawful development certificate proposed - formation of a new drive to 64 Downhouse Road & the adjacent paddock.

Ward: Catherington

Cllr Rep: Cllrs Mrs E Tickell & D Prosser

Cllr D Prosser referred to his Report (please see attached Report Schedule).

**RECOMMENDATION: NO OBJECTION**

59393

**35 Claire Gardens, Horndean, Waterloooville, PO8 0JH**

Extension to garage to better suit needs of disabled resident

Ward: Downs

Cllr Rep: Cllr R Veitch

Cllr R Veitch referred to his Report (please see attached Report Schedule)

**RECOMMENDATION: NO OBJECTION**

59368

**12 Harrier Close, Horndean, Waterloooville, PO8 9BZ**

First floor extension over garage

Ward: Catherington

Cllr Rep: Cllrs Mrs E Tickell & D Prosser

Cllr Mrs E Tickell referred to her Report (please see attached Report Schedule) drawing attention in particular to the ensuite window and the street scene.

**RECOMMENDATION: OBJECTION** for the following reasons:

1. Breach of CP 27- Pollution as the new en-suite window will have an unacceptable impact on the amenity of the property to the south through loss of privacy. This can be dealt with by a condition that the window should be non-opening and of obscure glass.

2. Breach of CP29-Design as the proposed height scale and massing and the fact that the proposed extension to the front will be of the same height as the main dwelling makes it dominate the main dwelling and adversely affects the street scene. This can be dealt with by reducing the height of the proposed extension.
3. Breach of the guidance in the Residential Extensions and Householder Development Supplementary Policy Document as the proposed extension by virtue of its height being the same as the existing dwelling means that it is not subservient to the main dwelling. This can be dealt with by reducing the roof height.

26652/001

**37 New Road, Lovedean, Waterloooville, PO8 9RU**

Detached 3 bedroom bungalow with associated landscaping and parking following removal of out buildings

Ward: Catherington

Cllr Rep: Cllrs Mrs E Tickell & D Prosser

Cllr D Prosser referred to his Report (please see attached Report Schedule), advising the quality of the plans submitted were lacking in information and detail. Cllr D Prosser expressed concerns about the parking and room for other residents within the area. Discussion took place.

**RECOMMENDATION OBJECTION**, because of the following reasons:-

The plans are insufficient to determine if they are realistic due to the lack of dimensions. All dwellings in New Road have large gardens, therefore all could do similar leading to more issues with density and parking/highway safety. Also the position of the settlement boundary is not the same as indicated on EHDC's website, allowing less room for development.

26982/012

**Yew Tree Cottage, Eastland Gate, Lovedean, Waterloooville, PO8 0SR**

Access gates with piers, resurfacing of existing hardstanding and installation of mirrors to east side of menage (resubmission of application 26982/011).

Ward: Catherington

Cllr Rep: Cllrs Mrs E Tickell & D Prosser

Cllr D Prosser referred to his report advising this was a resubmission. Cllr D Prosser advised that there were still electric gates and there was still no waiting space outside the property off the main highway. Cllr Mrs Elaine Tickell advised that these gates were already built and the size of the vehicles using it were very large and it was already causing some issues. A discussion took place.

**RECOMMENDATION: OBJECTION**, despite the improvements made the gate is still too near the lane for waiting vehicles (with horseboxes likely) not to cause an obstruction to other lane users while the electric gate opens. There is plenty of space to address this inside the compound but no attempt has been made.

58128/002

**114 White Dirt Lane, Horndean, Waterlooville, PO8 0TW**

Detached garage, carport and front entrance porch

Ward: Catherington

Cllr Reps: Cllrs Mrs E Tickell & D Prosser

Recommendation agreed at Council meeting on 20.09.2021

This was duly noted.

59464

**36 Kings Mede, Horndean, Waterlooville, PO8 9TN**

Lawful Development Certificate for Proposed Use of Development - Single storey rear extension

Ward: Kings & Blendworth

Cllr Rep: Cllr P Little

Cllr P Little referred to his Report.

This is a technical assessment based on the information and evidence supplied by the Applicant in support of the application. The decision is one to be made by the Case Officer.

59478

**34 Loxwood Road, Horndean, Waterlooville, PO8 9TU**

T1-Oak- Cut back 4 limbs to branch collar, 200mm diameter at 6m & 7m from ground level.

Ward: Catherington

Cllr Rep: Cllrs Mrs E Tickell & D Prosser

Cllr D Prosser referred to his Report (please see attached Report Schedule).

**RECOMMENDATION: NO OBJECTION**, subject only to the Tree Officer's agreement that the work is necessary, comprises routine tree management, will be for the long term benefit of the trees and the work is carried out by properly qualified personnel at the correct time of year.

59470

**18 The Curve, Horndean, Waterlooville, PO8 9SE**

Increase in roof height to provide accommodation at first floor level with dormers to front & rear and single storey extension to rear

Ward: Catherington

Cllr D Prosser referred to his Report (please see attached Report Schedule). A discussion took place drawing attention to the height, scale, massing and privacy issues relating to this Application. A discussion took place.

**RECOMMENDATION: OBJECTION** for the following reasons:-

1. This is such a significant extension up, to the rear and to the side, it will create a property which dominates the neighbours. If this is not the case then better plans are required to show this.
2. The size and of the proposed property will have a detrimental impact on street scene contrary to CP29 – Design.
3. The proposals will have an unacceptable impact on the amenity of the neighbours through loss of privacy contrary to CP27-Pollution.
4. The size and name of the proposals breach the guideline advice contained in the Residential Extension & Householders Developments Supplementary Policy Document.

59335/001

**9 North Road, Horndean, Waterlooville, PO8 0EL**

An increase in roof height to provide accommodation at first floor level, single storey extension to rear, dormers to front & rear, velux window to side elevation, following demolition of existing conservatory and driveway and access onto North Road (resubmission of 59335).

Ward: Downs

Cllr Rep: Cllr R Veitch

Cllr R Veitch referred to his Report (please see attached Report Schedule) advising this was a resubmission.

Cllr Mrs E Tickell clarified the reason for the previous rejection. EHDC's website was consulted. The Applicant was present at the meeting and referred to the plans being looked at. A discussion took place with the Applicant asking why the initial Application was refused. Cllr P Beck advised that there were guidelines set out that were referred to when inspecting a property.

**RECOMMENDATION: NO OBJECTION.**

29113/004

**Wisteria Rest Home, 82 & 84 London Road, Horndean, Waterlooville, PO8 0BU**

Extensions to front & rear, link extension between 82 & 84, change of use of 84 London Road from single dwelling to rest home

Ward: Kings & Blendworth

Cllr Rep: Cllr Mrs I Weeks

Application withdrawn.

This was duly noted.

58305/002

**2 Francis Road, Horndean, PO8 0HZ**

Retrospective Application: Single storey rear extension to create larger kitchen and bathroom to accommodate wheelchair use.

Ward: Catherington

Cllr Rep: Cllrs Mrs E Tickell & D Prosser

Cllr D Prosser referred to his Report (please see attached Report Schedule).

**RECOMMENDATION: NO OBJECTION**

28126/004

**53 Portsmouth Road, Horndean, Waterloooville, PO8 9LN**

Retention of front dormers & rear juliet balcony door (Partial alternative to permission 28126/002).

Ward: Kings & Blendworth

Cllr Rep: Cllr Mrs E Tickell

Cllr Mrs E Tickell referred to her Report (please see attached Report Schedule), EHDC's website was consulted referring to the plans. A discussion took place attention was drawn to CP29 – Pollution and CP29 – Design.

**RECOMMENDATION: OBJECTION, for the following reasons:-**

1. Breach of CP27- Pollution. Firstly, the roof extension has an unacceptable effect on the amenities of the neighbouring properties through loss of privacy. This is particularly so in respect of the properties to the rear which are very dominated by the dormer and Juliet balcony. A Juliet balcony in a roof location is unacceptable- overlooking and loss of privacy for dwellings to the side and rear. Secondly, at night, the light spillage from the front dormer is very glaring and would have an impact on neighbouring properties.
2. Breach of CP29- Design. The layout and design of what has been built is unsympathetic and inappropriate to its setting in terms of its scale height, massing and density and its relationship to adjoining buildings. It is an ugly, incongruous feature that has a seriously detrimental impact on the street scene.
3. Breach of Residential Extensions and Householder Development Supplementary Policy Document:-
  - 3.1. The dormers make a significant change to the profile of the roof. They protrude significantly and are unsympathetic to the overall design of the dwelling.
  - 3.2. The dormers are overscaled and dominate the roof.
  - 3.3. At both back and front, the dormers are flat roofed and are out of keeping with the rest of the house.
  - 3.4. The dormers do not relate to the existing fenestration of the building, are significantly larger than the windows below them and dominate the roof.

30525/002

**48 Loxwood Road, Horndean, Waterlooville, PO8 9TU**

Two storey side extension (as amended by plans rec. 26.08.21)

Ward: Catherington

Cllr Rep: Cllrs Mrs E Tickell & D Prosser

Cllr Mrs E Tickell referred to her Report (please see attached Report Schedule).

**RECOMMENDATION: OBJECTION** for the following reasons:

1. Neutral stance in relation to the two storey side extension.
2. Continuing objection to the proposed workshop that lies too close to the significant trees in the adjacent Yoells Copse Local Nature Reserve and which are protected by a woodland TPO. The proposed works will interfere with and damage the root systems of those trees. No ground condition survey has been submitted.

52275/010

**Catherington Lith, Lith Avenue, Horndean, Waterlooville**

Cut approx 80% of holly throughout each section, coppice the hazel throughout each section.

TO NOTE HPC APPLICATION

This was duly noted.

SDNP/21/04639/FUL **This proposal is within the South Downs National Park.**

**Horndean X Well Site Pyle Lane Horndean Waterlooville Hampshire**

Proposal: The drilling of 3 water monitoring boreholes at the existing site, to satisfy an Environment Agency (EA) requirement

Ward: Kings & Blendworth

Cllr Rep: Cllr Mrs I Weeks

Cllr P Beck referred to Cllr Mrs I Weeks Report (please see attached Report Schedule).

**RECOMMENDATION: NO OBJECTION**, Provide that this operation IS REQUIRED by the environment agency, and there is not an alternative.

49803/001

**194 Greenfield Crescent, Horndean, Waterloooville, PO8 9ER**

Conversion of roof space to habitable accommodation with dormers to front

Ward: Kings & Blendworth

Cllr Rep: Cllr Mrs I Weeks

Cllr P Beck referred to Cllr Mrs I Weeks Report (please see attached Report Schedule).

**RECOMMENDATION: NO OBJECTION**

32330/009

**6 Crisspyn Close, Horndean, Waterloooville, PO8 9JT**

Ash (T1,T2,T3,T4,T5,T6,T7,T8,T9,T10,T11) - Fell.

Ward: Murray

Cllr Rep: Cllr R Veitch

Cllr R Veitch referred to his Report (please see attached Report Schedule). A short discussion took place and it was noted that the resident had advised that the removed trees would be replaced by a row of silver birch trees along the fence.

**RECOMMENDATION: NO OBJECTION**, subject only to the Tree Officer's agreement that the work is necessary, comprises routine tree management, will be for the long term benefit of the trees and the work is carried out by a properly by a properly qualified professional at the correct time of year. Also provided that there are suitable replacement trees planted by way of mitigation.

58373

**Land North West of Lovedean Sub Station, Broadway Lane, Lovedean, Waterloooville**

Request for screening opinion - for an energy management facility.

Ward: Catherington

Cllr Rep: Cllr Mrs E Tickell

Cllr Mrs E Tickell referred to her Report (please see attached Report Schedule). Several members of the public were present in respect of this Application. Cllr Mrs E Tickell advised that this was for screening opinion only at this present time. It was advised that the decision regarding Aquind is now not due until later in October it was important that the Parish Council comments are put forward for consideration.

Several residents expressed their concerns about the general change in the area and felt they had been targeted from all direction. One resident from the Lovedean Residents Association asked if there was SIL and S106 contributions to these developments. Members advised this was not the case. A lengthy discussion took place.

It was agreed that the Parish Council's response should be as follows:

1. A comprehensive Landscape Assessment together with details of proposed mitigation. In relation to paragraph 4.5.2, it is not just the Aquind application that will have a potential affect in the area. A response to a request for a screening opinion has just been completed in relation to a nearby site identified as Area 1, Broadway Lane. The cumulative impact of all of these sites will have a significant impact on the landscape and area.

2. The impact on the Monarch's Way footpath together with full details of proposed mitigation

3. The protection of adjacent Ancient Woodland.

4. A Full Noise Assessment.

5. A Construction Management Plan that will need to take account of the potential development of three sites. Construction will need to be phased so that Horndean is not brought to a complete standstill and residents do not experience a detrimental impact on daily life.

**P 076 21/22**

**TO DISCUSS REPRESENTATION OF HORNDEAN PARISH COUNCIL AT  
FORTHCOMING EHDC'S PLANNING COMMITTEE MEETING ON  
14<sup>TH</sup> OCTOBER 2021.**

It was agreed that the Agenda from EHDC will be reviewed once published to see if there was any need for a member to attend.

**P 067 21/22**

**TO NOTE THE DATE OF THE NEXT MEETING AS MONDAY  
25<sup>TH</sup> OCTOBER 2021**

The date was duly noted.

3.	56716	<p><b><u>151 White Dirt Lane, Horndean, Waterlooville, PO8 0TL</u></b></p> <p>Side extension and replacement rear extension, with the formation of a new first floor together with front dormers and rear balcony.</p> <p>Ward: Catherington</p> <p>Cllr Rep: Cllr Mrs E Tickell &amp; D Prosser</p> <p>Report:</p> <p>General Observations: 151 White Dirt Lane is a semi-detached two bedroom bungalow. The proposal is to extend to the side (3.1m) and into the roof space to create a two storey four bedroomed house. 153 has developed into the roof space with velux windows but the plan for 151 would dominate 153. In addition there is a large balcony on the upper floor of the rear extension which will overlook the gardens of both neighbours 149 and 153 one of whom has already commented to this effect. It is true that #151 would benefit from renovation.</p> <p>Local Planning Policies: CP29 Design. This a semi-detached bungalow being developed into a 4 bedroom house that will dominate its neighbour which only has a modest velux dormer</p> <p>Residential Extension and Householder Development SPD - These extensions effectively rebuild this property and are not subservient to it</p> <p>CP27 Pollution. Both neighbours will be overlooked by the large balcony planned at the rear. Also light pollution from large windows to rear.</p> <p>Street Scene: White Dirt Lane is not uniform but this is a major change to the scene of 151/153.</p> <p>Overall Highway safety: No change.</p> <p>Noise and Disturbance from completed development: No change</p> <p>Parking: There is sufficient parking for the three cars required by EHDC Vehicle Parking Standard SPD if the drive is modelled.</p> <p>Overlooking and loss of privacy: Balcony to rear will overlook neighbouring properties gardens.</p> <p>Traffic generation: Minor</p> <p>Environmental: None</p> <p><b>RECOMMENDATION: OBJECTION</b>, based upon</p> <p>Breach of CP29 -Design - This is a semi-detached property, this level of development is not in keeping with the neighbouring property</p>

		<p>Breach of Residential Extension and Householder Development SPD - These extensions are not subservient to the original property. This is a redevelopment.</p> <p>Breach of CP27 -Pollution - Overlooking the neighbouring properties at rear - Light pollution from large windows.</p> <p>Cllr D Prosser</p> <p>13.10.2021</p>
4.	59498	<p><b><u>62 Queens Crescent, Horndean, Waterlooville, PO8 9ND</u></b></p> <p>Two storey and part single storey rear extension.</p> <p>Ward: Murray</p> <p>Cllr Rep: Cllr R Veitch</p> <p>Report:</p> <p>Size Layout &amp; density: Significant development of the site which will add an additional bedroom to the property.</p> <p>Design, appearance and materials: In keeping with the existing building.</p> <p>Street Scene: No change.</p> <p>Overall Highway safety: No significant change.</p> <p>Noise and Disturbance from completed development: No change.</p> <p>Parking: Only one parking space is outlined, but there is sufficient space for two vehicles parked in tandem.</p> <p>Overlooking and loss of privacy: No obvious problem as long as the window on the first floor to the South is obscured glass.</p> <p>Traffic generation: No significant change.</p> <p>Ground contamination: No obvious Source.</p> <p><b>RECOMMENDATION: NO OBJECTION.</b></p> <p>Cllr R Veitch</p> <p>14.10.2021</p>
5.	23596/004	<p><b><u>Broadways, Broadway Lane, Lovedean, Waterlooville, PO8 0SP</u></b></p> <p>Remodelling of the existing entrance and kitchen with internal alterations.</p> <p>Ward: Catherington</p> <p>Cllr Reps: Cllrs Mrs E Tickell &amp; D Prosser</p>

		<p>Report:</p> <p>General Observations; Broadways is a large property with several outbuilding on Broadway Way on the Eastland Gate side. The application is to remodel the ground floor of the main building to extend some narrow spaces of the original design. There are three points of extension, the Kitchen and one on either side of a corridor connecting two parts of the structure. As this is countryside CP19 applies but the overall increase in floor space does not contravene housing planning rules for outside of a settlement boundary. It should also be noted that this work has commenced and the walls are already in place.</p> <p>Local Planning Policies: CP19 Countryside. This property is outside of settlement boundaries but the increase in floor space does not breach policy H16 of the housing policy</p> <p>CP29 Design. The new design is sympathetic to the existing dwelling.</p> <p>Residential Extensions and Householder Development SPD - The extensions are subservient to the original house.</p> <p>Street Scene: Minor change - Broadways is set back from the road and largely obscured by hedges.</p> <p>Overall Highway safety: No change</p> <p>Noise and Disturbance from completed development: No change.</p> <p>Parking: No Change. This is a large dwelling with plenty of land.</p> <p>Overlooking and loss of privacy: None.</p> <p>Traffic generation: No change.</p> <p>Environmental: None</p> <p><b>RECOMMENDATION: NO OBJECTION</b></p> <p>Cllr D Prosser</p> <p>13.10.2021</p>
6.	59072	<p><b><u>189 Lovedean Lane, Horndean, Waterlooville, PO8 9RT</u></b></p> <p>Conversion of garage to living accommodation and utility room</p> <p>Ward: Catherington</p> <p>Cllr Reps; Cllrs Mrs E Tickell &amp; D Prosser</p> <p>Report:</p> <p>General Observations: The application is to convert the existing garage to the side of the building to a Utility room and Family room. It would appear that one of the neighbours has done something similar. 189 shares a private drive with 183,185,187 and 191 set back from Lovedean Lane. All of these other dwellings have more parking space than 189. It is not clear how many bedrooms 189 has</p>

		<p>and therefore what the parking requirement is. Note: this garage conversion is complete so this application is actually retrospective.</p> <p>Local Planning Policies: EHDC Vehicle Parking SPD - The number of parking spaces required for a dwelling is key here. The house in question is at least 3 bedrooms requiring at least two spaces. With the loss of the garage it only has one space. It is not clear whether any of the rest of the parking on the private road is allocated to 189.</p> <p>Street Scene: Change is not really visible from the street as there is a large hedge obscuring the properties.</p> <p>Overall Highway safety: No change.</p> <p>Noise and Disturbance from completed development: No change.</p> <p>Parking: Parking space reduced by one space. Unclear what the parking scheme now is or needs to be.</p> <p>Overlooking and loss of privacy: No change</p> <p>Traffic generation: None</p> <p>Environmental: None</p> <p><b>RECOMMENDATION: OBJECTION</b> for the following reasons: Breach of EHDC Vehicle Parking SPD - The EHDC case officer has requested a parking scheme and a number of bedrooms for #189. So for now we have to assume that this contravenes the Parking SPD from visual inspection as the house is at least three bedrooms and now only has one parking space.</p> <p>Cllr D Prosser</p> <p>13.10.2021</p>
7.	59501	<p><b><u>Land at 38 Five Heads Road, Horndean, Waterlooville, PO8 9NU</u></b></p> <p>Detached dwelling to the north of 38 Five Heads Road</p> <p>Ward: Murray</p> <p>Cllr Reps: Cllrs R Veitch</p> <p>Report:</p> <p>Size Layout &amp; density: Significant over-development of the site contrary to Policy CP-29 Design.</p> <p>Design, appearance and materials: In keeping with the local building style.</p> <p>Street Scene: A significant change to the street scene of a small cul-de-sac contrary to Policy CP-29 Design.</p>

		<p>Overall Highway safety: The access to the proposed garage would involve up to three additional vehicles turning into the parking area from a very restricted width lane.</p> <p>Noise and Disturbance from completed development: Additional disturbance from a 4 bedroomed house in a very quiet area.</p> <p>Parking: Sufficient parking is outlined, but access to and from the parking area is likely to be problematic.</p> <p>Overlooking and loss of privacy: No obvious problem as long as the window on the first floor to the North-West is obscured glass.</p> <p>Traffic generation: A significant change for the narrow roads in this small community area.</p> <p>Ground contamination: No obvious source</p> <p><b>RECOMMENDATION: OBJECTION</b> be raised regarding this application as the implementation would be in contravention of Policy CP-29 Design.</p> <p>Cllr R Veitch</p> <p>15.10.2021</p>
8.	57064/001	<p><b><u>76 Frogmore Lane, Horndean, Waterlooville, PO8 9RB</u></b></p> <p>Increase in roof height to form first floor with two storey extensions to rear and side following demolition of garage and flat roofed extension.</p> <p>Ward: Kings &amp; Blendworth</p> <p>Cllr Reps: Cllr P Beck</p> <p>Report:</p> <p>Size Layout &amp; density: This is a very large extension, however the plot size will accommodate it. The property's appearance is now somewhat out of keeping with neighbouring properties, and this development will not look out of character.</p> <p>Design, appearance and materials: Traditional materials and construction.</p> <p>Street Scene: Very significant but acceptable in context of the comments above.</p> <p>Overall Highway safety: No change</p> <p>Noise and Disturbance from completed development: Possible slight increase if the proposed property is fully occupied.</p> <p>Parking: There is an increased requirement for 3 parking spaces. The proposal submitted does not clarify how this will be achieved.</p> <p>Overlooking and loss of privacy: None</p> <p>Traffic generation: Possible increase in traffic due to the increased number of bedrooms.</p>

		<p>Ground contamination: No obvious source.</p> <p>Conclusions: A large change to the property but not unacceptable</p> <p><b>RECOMMENDATION: NO OBJECTION</b> – subject to demonstration of adequate parking facilities without tandem parking.</p> <p>Cllr P Beck</p> <p>24.10.2021</p>

The work to the oak trees is basically tree management and will improve the appearance of the trees.</p> <p><b>RECOMMENDATION: NO OBJECTION</b> be raised regarding this application, subject only to the Tree Officer's agreement that the work is necessary and will be for the long term benefit of the tress, and the work is carried out by qualified personnel.</p> <p>Cllr P Beck</p> <p>24.10.2021</p>

Including front and rear gable, complete with two juliet style balconies at rear. New roof to have front and back partial hips along with two rooflights either side and new sky lantern in rear flat roof.</p> <p>Ward: Kings &amp; Blendworth</p> <p>Cllr Rep: Cllr P Beck.</p> <p>Report:</p>

		<p>Size Layout &amp; density: The extension will not increase the footprint size of the property.</p> <p>Design, appearance and materials: The design matches the rest of property.</p> <p>Street Scene: A slight change but not excessive and in keeping with other neighbouring properties.</p> <p>Overall Highway safety: No significant change.</p> <p>Noise and Disturbance from completed development: Little change.</p> <p>Parking: The property has adequate space for parking several vehicles.</p> <p>Overlooking and loss of privacy: No change</p> <p>Traffic generation: No obvious change</p> <p>Ground contamination: No obvious source</p> <p>Conclusions: This is a relatively modest extension into the loft space to provide additional living space.</p> <p><b>RECOMMENDATION: NO OBJECTION</b></p> <p>Cllr P Beck</p> <p>24.10.2021</p>
