Change of use of land to the rear of dwelling to residential curtilage, detached annexe for ancillary use

Ward: Hazleton & Blendworth

Cllr Reps: Cllrs Mrs I Weeks & N Wren

Cllr N Wren referred to his Report, EHDC's website was consulted. Cllr Mrs E Tickell drew attention to the fact that the Landscape Officer had lodged an objection. A discussion took place whereby concerns were raised about the trees already being moved away. Further discussion took place.

**RECOMMENDATION: OBJECTION** for the following reasons:

1. Our information is that it was a condition of the land purchase that the land had to be retained as a buffer between the Hazleton Estate and the local Nature Reserve, Hazleton Common. Therefore no development can take place on it.
2. The land is outside Settlement Policy Boundary and therefore CP19-Development in the Countryside applies. The proposed development does not fall within any of the exceptions.

Increase height of existing chain link fence to 1.5m to support hedge

Ward: Catherington & Lovedean

Cllr Reps: Cllrs Mrs E Tickell & P Beck

Cllr Mrs E Tickell referred to her Report.

**RECOMMENDATION: OBJECTION** because the height of front fences should accord with policy and be limited to 1 metre. There are more discrete and secure means of supporting a hedge of this size. The proposal would be out of character with the area.

57671/004 157 Portsmouth Road, Horndean, Waterlooville, PO8 9LG

Retention of front boundary wall

Ward: Hazleton & Blendworth

Cllr Reps: Cllrs Mrs I Weeks & N Wren

2. The wall exceeds the planning policy of one metre in height for front boundary fences.
3. The wall is out of keeping with the area contrary to CP29-Design.

5.	57560	<p><b><u>8 Crisspyn Close, Horndean, Waterlooville, PO8 9JT</u></b></p> <p>Remove existing flat roof and replace with a pitched roof.</p> <p>Ward: Murray</p> <p>Cllr Rep: Cllr R Veitch</p> <p>Report:</p> <p>Size Layout &amp; density: No real change</p> <p>Design, appearance and materials: Similar to that of next door and others in the close.</p>

6.	55489/001	<p><b><u>8 Juniper Road, Horndean, Waterlooville, PO8 0DY</u></b></p> <p>Two storey rear extension</p> <p>Ward: Downs</p> <p>Cllr Rep: Cllr Dr C Jacobs</p> <p>Report:</p> <p>Size Layout &amp; density: The proposal is to add a large extension to increase ground floor living space and add an extra bedroom. I have concerns about the size of this extension, the prospect of overlooking and blocking of light to no 6 Juniper Way.</p> <p>Design, appearance and materials: The area of the proposed rear extension will be 21m<sup>2</sup>. The footprint of the existing dwelling is currently 95m<sup>2</sup> and will be increased to 116m<sup>2</sup>.</p> <p>Materials in keeping with existing building. No 6 Juniper Way already has a 2 storey rear extension.</p> <p>Street Scene: Major development, but at the rear of the property.</p> <p>Overall Highway safety: None.</p> <p>Noise and Disturbance from completed development: Given the size of this development there is likely to be some disturbance for the neighbours, particularly those at No 6.</p>

		<p>Parking: There is currently a double garage with parking for two additional cars on the drive, which is sufficient for a 4-bedroom property.</p> <p>Overlooking and loss of privacy: Possible overlooking and loss of privacy to number 6, particularly regarding the building of the veranda at the rear of the property which the residents will be able to use at most times of the year.</p> <p>Traffic generation: The proposed development will not increase the traffic flow at this point in Viking Way.</p> <p>Ground contamination: There is no evidence of ground contamination.</p> <p><b>RECOMMENDATION: OBJECTION</b> for the following reasons: This is a well presented application. However, I have concerns about the size of this development as well as possible disturbance for neighbours. I regard this development contrary to CP29 that development should be "... <i>appropriate and sympathetic to its setting in terms of its scale, height, massing and density.</i>"</p> <p>Cllr Dr C Jacobs 19.09.2018</p>
7.	57944	<p><b><u>27 The Curve, Horndean, Waterlooville, PO8 9SE</u></b></p> <p>Single storey extension to rear following demolition of existing conservatory, dormer to rear of property</p> <p>Ward: Catherington &amp; Lovedean</p> <p>Cllr Reps: Cllrs Mrs E Tickell &amp; P Beck</p> <p>Report:</p> <p>Observations: - The application is to demolish the existing conservatory at the rear of the property and erect what will be a sitting room. The latter does not have the same footprint being square in outline but it would not be out of proportion to the house. On the first floor, bedrooms 2 and 3 would be extended out to the rear by the creation of a dormer.</p> <p>Size Layout &amp; density: - Both the sitting room and first floor dormer are proportionate to the rest of the house and in character with the area.</p> <p>Street Scene: - Not affected as both proposals are at the rear of the property.</p> <p>Local Planning Policies: - CP29-Design.</p> <p>Overall Highway safety: - Not affected as no increase in the number of bedrooms.</p>

		<p>Noise and Disturbance from completed development: - Believed that this would be negligible.</p> <p>Parking: - Not affected.</p> <p>Overlooking and loss of privacy: - Believed that this would not apply.</p> <p>Traffic generation: - None as no increase in the number of bedrooms.</p> <p>Ground contamination: - N/A.</p> <p><b>RECOMMENDATION:- NO OBJECTION</b></p> <p>Cllr Mrs E Tickell 26.09.2018</p>
8.	56336/004	<p><b><u>161 Frogmore Lane, Horndean, Waterlooville, PO8 9RD</u></b></p> <p>Variation of condition 10 of 56336/002 to allow substitution of plans and vary condition 3 to omit any reference to 'the widened access' as the existing access will be retained</p> <p>Ward: Catherington &amp; Lovedean</p> <p>Cllr Reps: Cllrs Mrs e Tickell &amp; P Beck</p> <p>Report:</p> <p><b>OBSERVATIONS:</b> - The last application before the committee related to a substantial increase in the size of the property that was to be built. It included the creation of a second floor in the roof space that was stated to be a loft room. This application seeks to vary the plans so that this room becomes a fifth bedroom and media room. There will be additional windows but these will face out to the rear as before overlooking land in the applicants ownership. The point re the access is obvious.</p> <p><b>STREET SCENE:</b> - This will not be affected as there is no increase in the area affected. It is being divided as stated above. The additional windows face out to the rear.</p> <p><b>LOCAL PLAN POLICIES:</b> - CP29- Design.</p> <p><b>PARKING:</b> - The number of bedrooms will increase to five. Believed that parking is adequate.</p> <p><b>RECOMMENDATION:</b> - <b>NO OBJECTION</b> to either proposal.</p> <p>Cllr Mrs E Tickell 27.09.2018</p>

		<p>Ward: Catherington &amp; Lovedean</p> <p>Cllr Reps: Cllrs Mrs E Tickell &amp; P. Beck</p> <p>Report:</p> <p>The application site is outside the SPB. The application is just what it says and the application includes photographs of the derelict buildings. It also states that the barn is required to house machinery and tools used to work the adjoining fields.</p> <p><b>RECOMMENDATION: - NO OBJECTION</b> provided that the footprint of the barn is the same as the derelict barn and pig sty's that will be demolished.</p> <p>Cllr Mrs E Tickell 26.09.2018</p>
